PROFILE SUMMARY

Aspiring Full Stack Developer with hands-on experience in backend systems using Node.js and PostgreSQL, and a passion for innovative technology solutions. A graduate of the Polytechnic University of the Philippines – Sto. Tomas Campus with a Bachelor's degree in Information Technology, awarded **Cum Laude**. Possesses a strong leadership background and a track record of academic excellence as a consistent President's Lister.

INTERNSHIP EXPERIENCE

DICT Region 4-A CALABARZON   **Batangas City**
Backend Developer Intern   March–June 2025
- Developed backend for "Free Wi-Fi for All in CALABARZON" using Node.js and PostgreSQL.
- Gained hands-on experience in hardware and collaborative system development.

DIGITAL & AFFILIATE MARKETING EXPERIENCE

Affiliate Marketer (TikTok, Shopee, Lazada, Shein, Amazon)

Dates: 2023 – Present

- Promoted products through TikTok content, live-streams, and short form videos, resulting in consistent clicks and conversions.
- Utilized affiliate dashboards (Shopee, Lazada, Amazon, Shein) to track performance, optimize product selection, and adjust marketing strategies.
- Managed multiple affiliate links and campaigns while monitoring metrics such as CTR, conversion rate, and earnings.
- Collaborated with online sellers and small brands for product promotion to boost visibility and sales.

PROJECTS

DIALECTO: Traversing Filipino Dialects using NLP   **Capstone, Jan 2025**
- Developed gamified learning between Tagalog and Bicol dialects.
- Enhanced accessibility through user-friendly interface and translation logic improvements.
